A Message To The Seniors

In these days we hear a great deal about friendship and cooperation. If the nations of the world wish to prevent future wars they must cooperate and work in harmony for the welfare of everybody. This cooperation must begin with the individuals at home, in school, and at work.

You, the graduates of the class of 1946, must learn to keep in step and must be able to get along with people. You must be able to work with others without offending or irritating them. Marching along mentally as well as physically. Cooperation is not only a symbol of friendship, but a very practical means of promoting it.

Everybody must practice the Golden Rule. One who constantly takes and never gives, one who asks, begs, or demands instead of offers, can hardly hope to have real friends. Friendship cannot endure if one party to it is wholly self-centered.

Please accept my best wishes and may your hopes and dreams be realized to the fullest degree.

HOWARD J. YEAGER
Superintendent

Commencement time has come, ties are to be broken, farewells to be said, yet, after four years of close association, one finds it difficult to express what is in one's heart.

During these years some have labored faithfully to prepare for the future while others have thought of school as a concentration camp. Whether you have considered school a laboratory in which lives are molded or merely a place in which to spend time, your principal still wishes for you all the success it is possible for one to achieve.

Atomic energy is a great achievement but the world is in greater need of brotherhood, tolerance, unselfishness, and men of personal integrity. This energy, controlled by the head only, may destroy us; controlled by head and heart it may become our servant, lift us to a higher plane of life, and become a great benefit to mankind.

Now, may each one of you find happiness and peace in life as you do your daily tasks.

2nd -

Hear these silent stone walls shouting!
Hear their words of would-be woe!
Hear them plead with hopes and doubting!
Hear them tell us not to go!

Chorus.

3rd -

Gone is our gay "learned" company,
Gone those days which are of yore;
Much we did in rooms now empty,
Things we'll do and see no more.

Class History

The fall of 1942 was a lucky season for Emmaus High School because it was then that the Class of '46 began its high school career. We were a bit green as freshmen but now as seniors, we are ready to go out into the world with confidence. Being an intelligent group, it didn't take us very long to get into the stride of work and play in high school.

In our freshman year, we chose Robert Kahle as our President, Marie Brown, Vice-President, and Charles Hersh as our Secretary. They were very competent and the term went smoothly. Our only activity for the year was the "Victory Minstrel", which was a success both in entertainment and financially. Providing the comedy were Velda Mae Haas, Priscilla Brahler, Lois Hamscher, Bruce Knauss, Russell Ganey, and Robert Kahle.

As sophomores, we were less self-conscious and secretly laughed at the poor misguided freshmen. Richard Wieand was our President for the term, with Velma Gould as Vice-President, and Barbara Schreiber as Secretary. Our activity for this year was the "Sophomore Cottilion"—dance to most of us—which did considerable good for our treasury. We had several boys in our class who played varsity football and basketball, making us proud of our class. The term as a whole, however, passed without very much excitement.

Second only to the seniors! Finally our junior year had arrived. How superior we felt to the mere freshmen! Richard Wieand and Barbara Schreiber held the same offices as in the previous year, with Bruce Knauss moving up to the rank of Vice-President. Our first activity for the year was the "Turkey Hop" which was

held in the high school gymnasium. The main event, and one we had all been anxiously awaiting, was the Junior Prom. At the first signs of spring plans were begun for this exciting affair. The special feature of the Prom was the crowning of Barbara Schreiber as Queen. She was crowned with a laurel of flowers and sat on a beautiful throne prepared by the artistic members of our class. It was the first formal for many and oh! what a thrill. Monday after the prom, the school was buzzing with an account of where everyone had gone and how late they had stayed out. The last function of the year was the "Senior Farewell" at which we bid the graduating class a very sad adieu.

Finally we became seniors and were second to none. What a year! We had the same executive group as in the junior year. The last year was the hardest, with bills to pay and a yearbook to prepare. Everyone had plenty of work to do. But there wasn't enough work to do to keep everyone out of mischief. We kept Mr. Heller busy from 8 in the morning till 4 in the afternoon. Seven senior girls started the year by being suspended the second week of school. The senior class play, "Mr. and Mrs. North", was one of the big jobs of the year, which proved to be an enormous success. Right on the heels of the play, we sponsored the Thanksgiving dance, "The Turkey Hop". "The Snowball Frolic" started the Christmas vacation with a bang. In honor of George Washington's birthday we gave "Ye Old Hatchet Swing". The Senior Ball was the biggest event of our entire high school career. You heard plans being made from the beginning of the term. The ball was the last senior affair with everyone having a wonderful time. The year ended with Baccalaureate services and Commencement, which were the most serious of our high school activities.

And thus passed our four years of high school.

JUNE

Rah! Rah!

You will always find, either on the gridiron or basketball court, our energetic cheerleaders. Never sitting down on the job, never thinking of the defeat which may face them, they strive and cheer enthusiastically for victory.

This year, the squad has been very fortunate to have such a capable captain as Richard Schantz, the only male cheerer. Working hard to get the squad to work in rhythmic coordination and efficiency, he succeeded in making his squad one of the best in the Lehigh Valley League.

The Seniors who have cheered for their Alma Mater for the last time are Captain Richard Schantz, Lucille Kocis, Leola Feather, Margaret Miklencic, and Barbara Schreiber. The Juniors are Carole Yerby, Theresa Kocis, Gloria Fasching, and Helen Sikorski.

Hard-Hitting Hornets

With a number of veteran players returned and with several weeks of strenuous and extensive practice, the 1945 football team made its debut when it traveled to Albright Stadium, Reading, Pa., September 14, in quest of its first victory. Shillington High, a former opponent, proved an obstacle difficult to overcome. Fighting hard all the way the Green and Gold dropped a tough 19-18 decision to the Berks Countians. Playing their second night game of the season on September 21 at Stroudsburg, the locals were handicapped in that they could not overcome a one point lead, losing to the Poconos, 7-6. In their first home stand the Moravians were victims of Northampton by a score of 25-0. The Konkrete Kids, league champions, displayed too much power and stamina for the E.H.S. eleven. In our fourth game Slatington fell to the sting of the Hornets, 12-6, as we entered the win column for the first time. What proved to be the high-spot and never-to-be-forgotten game of the year took place on October 13 when the Green and Gold combination conquered the Catasauqua Rough Riders for the first time in 16 years of close football rivalry. Two long runs by Goduscik, a completed pass to Ramer, and a place-kick by Wieand enabled E.H.S. to overrun the Brown and White. Playing away at Lehighton the following week the Moravian Boro lads earned a 13-6 scalping over the Indians. In a hard-fought, well attended Booster Day game on October 27, the Blue Bombers of Palmerton nosed out the locals in a game in which the winner was not determined until the final minutes of play. Score: Palmerton 27—Emmaus 18. Following this annual game two independent contests were fought with E.H.S. breaking even. In the

first game we dropped a 13-6 decision to Nazareth under a drenching rain. East Greenville was easily snowed under by a big 37-0 tally. Picked to lose in the Turkey Day Classic, the Hornets played superb football in every respect when they trounced the Whitehall Zephyrs 26-13 to end, what we think, a successful season.

In testimony the Athletic Association tendered a banquet to the entire grid team, cheerleaders, and managers on November 26 at the Owls Home. The featured speaker was Mr. Floyd Schwartzwalder, coach of Muhlenberg College. Captain Richard Wieand, a 3-year letter winner, received the Mary Reese Deischer trophy for being the most valuable player in his high school career. Nick Micklos received the Booster Day football for outstanding player in that game. Robert Bieber was awarded the Dr. Lichtenwalner trophy for improving most since last season.

Through The Hoop

The lads this season came through a heavy schedule of twenty-two games with an even number of wins and defeats. With Wieand, Dennis, and Romig back from last year's varsity squad and Goduscik and Fegley completing the starting quintet, there was displayed by the Hornets some really good basketball.

The season was begun with two disheartening losses, one against a very strong Allentown team and the other Hellertown. These defeats were followed by Emmaus victories over Bethlehem Catholic, Nazareth, and Coopersburg. We then lost two more independent games, one to Hellertown and the other to our Alumni, whose team consisted mostly of World War II veterans.

The league race was then begun, the first half of which ended in four victories for the Hornets, including Stroudsburg, Whitehall, Catasauqua, and Lehighton, and three losses which were Slatington, Palmerton and Northampton.

In the second half of the league battle we again defeated Stroudsburg, Slatington, and Lehighton, and bowed to Whitehall, Catasauqua, Palmerton, and Northampton. We think the boys played good, hard, clean basketball and we are really proud of them.

Fighting Lassies

With the whole team from last year back at their starting positions, the girls basketball team completed a very victorious schedule this season with eight wins, three losses, and one tie game. Successfully coached by Gerry Hamscher, the girls found that practicing early and faithfully really paid off. The team will suffer the loss of Captain Blanche Detwiler, Marie Brown, Velma Gould, Lucille Kocis, Catherine Dimmig, Margaret Miklencic, Barbara Schreiber, Sheila McKeever, and Velda Mae Haas, Senior Student Manager.

Batter Up!

With a large force of veterans to form the backbone of the team, this year's group of "sluggers" will be off to a flying start. Facing a tough schedule of twelve games, seven of which are in league competition, our boys are sure to have a successful season. Baseball is climbing back as a major sport after losing some of its importance during the war. This year is the first year since the war that the Lehigh Valley League will resume its full schedule.

Off To The Races

These are the boys who run, jump, heave the discus, and throw the javelin to grab athletic honors. Hard-working, breathless, our track men put in many hours running laps around the block or trying to jump another inch to break a record. The small but strenuous schedule includes the eagerly contested inter-class meet.

Past laurel winners who are back to set new records are: Bruce Knauss, Gerald Radeline, Leroy Hinkel, John Goduscik, Roy Woodring, Gene Kline, Donald Fegley, Edwin Fogel, and Edgar Dennis. A large number of under classmen are faithfully practicing to perfect their skills for future seasons. Not only do the boys receive valuable training and conditioning, but also the thrill of achieving new records and bringing honors to our school. Mr. Clarence R. Roeder will coach the team for his second season.

TRACK SCHEDULE
